What Is the 82nd Avenue of Roses Business Association?

The Association is an Oregon non-profit corporation working to promote the general business welfare of 82nd Avenue. Winner of the 2011 Spirit of Portland Award, the Association organizes efforts including the 5th Annual Parade on 82nd Avenue in 2011, maintaining communication between businesses, and providing an important voice representing 82nd Avenue business concerns to local government and the community.

WHY JOIN?

Your dues and participation help to promote 82nd Avenue to consumers and tourists through advertising, a website with a soon to be implemented searchable business directory, and the popular annual 82nd Avenue of Roses Parade. Dues and volunteer activities enhance the image and desirability of the 82nd Avenue business district through beautification, safety measures, and community-building efforts.
